We have opportunities available for you to join a variety of our committees. We are looking for members interested in joining the Education/Programs, Pro Bono and Marketing teams.

We also have committees that work on specific short term projects, such as our Golf Event, Kick-off Event and New Member event each year.

We established our 2019 NFPA Committee in 2016 and we always looking for members to be a part of the work to host the 2019 NFPA Convention, here is Rochester, October 2019
